

Current Steps:

- Project Recruiting Google Sheet is provided to the #all-project-leads Slack channel
- Project Leads update Google Sheet with desired team roles
- HfLA website is updated based on Google Sheet management
- When role is posted, a meeting takes place with the Project Lead to gain clarity on specific role needs
- Role Descriptions and quantities are posted to Gen-Do website for candidate attraction
- Candidates fill out the Gen-Do questionnaire
- Questionnaire results go to the project team for review
- Project Team identifies appropriate candidates for each team prior to matching
